Select Warranty

Engine All internally lubricated parts, including: Camshaft, connecting rods and rod bearings, crankshaft and main bearings, wrist pins, oil pump, pistons, piston rings, push rods and lifters, rocker arms, timing chain, timing gears, valves, valve guides and seats, valve springs. Excluded from this cover are: Cylinder head(s), engine block or barrels or blown head gaskets.

Differential & Drive Line Bearings, centre bearings, crown wheel and pinion, drive axle housing if damage is due to failure of internally lubricated components, drive shafts, gears, half shafts, limited slip clutch pack, Universal and CV joints.

Braking System Brake booster, calipers, hydraulic brake lines, master cylinder, wheel cylinders.

Suspension Control arms, upper and lower ball joints, radius rod bushes, stub axles, wheel bearings. (Applies to front suspension only)

Fuel Management System Fuel pumps, injectors, injector pump.

Transmission Internally lubricated parts only. Transmission case if damage is due to failure of internally lubricated components.

Clutch Assembly 2WD vehicles only. Clutch fork, clutch master cylinder, pressure plate, slave cylinder, throw out bearing.

Cooling System Electric fan thermostat, fan hub, radiator cooling fan motor, thermostat, water pump.

Steering Idler arms, pitman arms, power steer box, power steering pump, steering rack, tie rod ends.

Electronics & Electro-Mechanical Alternator, engine management computer, starter motor, voltage regulator, wiper motor.

Air Conditioning Compressor, compressor clutch.

Body & Interior None

Prime Warranty

Engine All internally lubricated parts, including: Balance shafts, big end bearings, camshaft, camshaft pulley, camshaft tower, connecting rods, crankshaft and main bearings, distributor, EGR valve, flex plate, flywheel, wrist pins, harmonic balancer, idler pulleys, oil pressure relief valve, oil pump, oil pressure sender, pistons, piston rings, push rods and lifters, rocker arms and shafts, starter ring gear, throttle cables, throttle linkages, timing belt pulleys, timing chain, timing gears, turbo (factory fitted), valves, valve guides and seats, valve springs, valve stem seals, waste gates. Excluded from this cover are: Cylinder head(s), engine block or barrels or blown head gaskets.

Differential & Drive Line Axle hub bearings, axle shafts, bearings, bushings, centre bearings, crown wheel and pinion, drive axle housing if damage is due to failure of internally lubricated components, drive shafts, front hub bearings, gears, half shafts, limited slip clutch pack, four wheel drive locking hub assemblies, swivel hubs, Universal and CV joints.

Braking System Brake booster, brake linkages, brake pedal box, brake pressure limiter, calipers, handbrake cable, handbrake mechanism, hydraulic brake lines, master cylinder, proportioning valve, wheel cylinders.

Suspension Bump stops, control arms, radius rod bushes, steering rack mounts, stub axles, sway bar bushes, tension rod, upper and lower ball joints, wheel bearings. (Applies to both front and rear suspension).

Fuel Management System Accelerator pump, fuel pumps, fuel relay, fuel sender unit, injectors, injector pump, pressure regulator, solenoids, vacuum pump.

Transmission All internal mechanical parts including: Accumulators, bearings, chain and sprockets, clutch and band assemblies, electric shift control unit, gears, inhibitor switch, interlock control unit, oil pump, over drive clutch, pressure switches, selector forks, selector shafts, servo units, solenoids, speedo transducer, synchromesh assembly, torque converter case and transmission case if damage is due to failure of internally lubricated components, valve body assembly.

Clutch Assembly 2WD vehicles only. Clutch cable, clutch fork, clutch linkages, clutch master cylinder, clutch pedal box, pressure plate, slave cylinder, spigot bearing, release bearing.

Cooling System Electric fan thermostat, fan hub, heater tap, radiator cooling fan motor, thermostat, water pump.

Steering Centre links, idler arms, pitman arms, power steer box, power steering pulley, power steering pump, steering column and bushes, steering lock, steering rack and pinion, tie rod ends, tilt lever.

Electronics & Electro-Mechanical Aerial motor, air suspension compressor, alternator, central locking actuator, door light actuator and switch, electric boot release, engine management computer, hazard light switch, headlight motors, headlight switches, indicator switches, key remote, load proportioning valve, mechanical switches, mirror motors, mirror switch, power seat motors, rear demister switch, remote fuel release mechanism and cable, starter motor, sun roof motor, voltage regulator, window motors, window regulators, windscreen washer motors, windscreen wiper arms and linkages, wiper motor, wiper switches.

Air Conditioning A/C switch, blend door motor, compressor, compressor bearings, compressor clutch, idler pulley, idler pulley bearing, recycle vent flap, TX valve, vacuum control switch.

Body & Interior Accelerator pedal and cable, bonnet hinges, bonnet lock and cable, bonnet striker, bonnet struts, boot hinges, boot lock and cable, boot lock striker, boot struts, door handles and rods, door hinges, door locks and cable, door strikers, glove box lock, locks, seat belt tensioners and locking mechanism, seat recliner mechanism, seat runners, speedo cable, gear selector and bushes, vent cables.
